

FOR ALL HIGH SCHOOL SENIORS AND THEIR PARENTS

Yosemite High School Guidance Department will present a

FINANCIAL AID WORKSHOP

When: Wednesday, December 12, 2007
7:00 p.m.

Where: Yosemite High School THEATER

A financial aid specialist from California State University, Fresno, will take parents **step by step through the FAFSA** (Free Application for Federal Student Aid) form. *Parents must complete the FAFSA for students to be eligible for any financial aid* (this includes non-repayable federal "PELL" and state "CAL" grants, loans, work-study and grants or loans from a specific college or university).

If there is any chance your student might attend a vocational/trade school, **or** a two year or four year college, **you should attend this workshop!!**

Keep in mind financial aid may be available regardless of your income. There are several factors taken into consideration such as the number of people in your family, the number of students in college and the age of the parents. **Every family should apply.**

Parents should also verify that the high school has the **CORRECT SOCIAL SECURITY NUMBER** for the student.
