

The Summer assignment for my IB History of the Americas HL2 course (SENIORS) is as follows:

All students must complete the required background research for the Internal Assessment. Ms. Hardison went over these requirements in class last year. It would be too complicated to try to explain what students are to do here online :) All students must have an approved topic before beginning research and if they wish to change their topic, they must have permission to do so. Please contact Ms. Hardison if there are any questions (about the assignment or about the topics): Home number 689-3048, cell: 676-6545. She will also be teaching summer school until the end of July and can be found on campus from 7:30-12:50. The assignment is due on the first day of school and is worth 50 points.

Thank you,  
R. Hardison
